

## Laugh Out Loud with the Best Legal Joke of the Day - Legal Humor to Brighten Your Day

A housewife, an accountant and a lawyer were asked "How much is  $2+2$ ?"  
The housewife replies: "Four!"

The accountant says: "I think it's either 3 or 4. Let me run those figures through my spreadsheet one more time."

The lawyer pulls the drapes, dims the lights and asks in a hushed voice, "How much do you want it to be?"
