▢ Trusts & Estates Law Is Booming

BCG Attorney Search's latest report reveals why this once-niche practice is now one of the fastest-growing areas in law. Driven by a \$124 trillion wealth transfer, looming tax changes, and surging client demand, trusts and estates work is creating unprecedented career opportunities—across BigLaw, boutiques, and regional firms.

▢ Why It Matters:

- Explosive market growth: \$25.1B (2024) → \$49.8B (2030)
- High salaries at every career stage
- Hot markets in Florida, Texas, California
- Talent shortage means big opportunities for attorneys

Don't miss your chance to get ahead in one of law's fastest-growing practice areas. Discover why trusts and estates law is surging nationwide, where the biggest career opportunities are, and how you can position yourself for long-term success.
